

Coming up next week

Monday Bank Holiday - School Closed
Thursday Swimming (to replace BH Monday)

We have welcomed another football fan to our team this week and the weather has given us plenty of opportunity to practise.

Elm Class have been re-potting the plants in their greenhouse this week.
Everything is growing really well in the sun.

Oak and Palm Classes enjoyed getting some exercise at Rutland Water on Tuesday this week.

History Off the Page

Craig and Ian from History Off the Page took us back to the 1940's on Wednesday with a World War II themed day. In the morning, pupils made an ink dip pen, a gas mask box and used their pen to complete details on their ration book and id card. In the afternoon, they had an opportunity to use these items when they visited shops from the 1940s to purchase rationed goods with original coins from the time. There may have been a bit of dressing up too!

We enjoyed sharing a wonderful Coronation Afternoon Tea in the garden this week with family and friends. There were some amazing entries for the *Design a Crown* competition and our winning entry has a voucher for Costa to enjoy.
