## Duke of Edinburgh

This week, some of our students have taken on the wonderful challenge of camping overnight for their Duke of Edinburgh award!

The students have learnt how to use many skills on this trip. Altogether they walked 19 miles whilst carrying all their food and equipment in their bags on their backs with an overnight stay in between! They learnt how to use maps and compasses to navigate their way around a route. The students learnt how to pitch their own tents; cook their own breakfasts and lunches using the camping equipment and used the shower block.

They all particularly enjoyed having s'mores around the campfire in the evening!

All involved had a very good time but definitely had sore feet by the end of it!
