

Academic performance statement

At Oakham Shires School, we measure our pupils' educational success against their Education Health Care Plan Outcomes.

It is our aim that all children leaving us will have achieved an accreditation in Maths, English and Science plus two or three other areas of personalised study. The study routes and accreditation that pupil's access are appropriate to 'stage not age' and are tailored to suit the ability and needs of individual pupils.

Education Health Care Plan (EHCP) outcomes are set across the 4 areas of SEND; Cognition and Learning, Communication and Interaction, Social, Emotional & Mental Wellbeing and Sensory & Physical. All pupils will have long term outcomes set within these areas; each long term outcome will be broken down into short term targets designed to build towards achievement of the long term outcome.

At the end of each term we measure a pupil's performance against their short term targets; where short term targets have been achieved new ones are then set to build on these successes and move a pupil further towards their long term outcome.

When reporting pupils' performance against EHCP Outcomes it is the short term targets we are measuring.

2023-2024 Pupil performance

Cognition & Learning	43% of pupils were secure in their short term target 31% made progress towards secure
Communication & Interaction	31% of pupils were secure in their short term target 43% made progress towards secure
Social, Emotional and Mental Health	43% of pupils were secure in their short term target 31% made progress towards secure
Sensory & Physical	43% of pupils were secure in their short term target 35% made progress towards secure

Accreditations achieved for the academic year 2023 – 2024

Qualification	Number of pupils achieving accreditation at each level
Level 1 Certificate in English	4
Level 1 Certificate in Maths	5
Level 1 Certificate in Applied Science and Technology	4
Entry Level Award in British Values (Entry 3)	6
Entry Level Certificate in Personal and Social Skills	4
Level 1 Award in Keeping Safe & Healthy	5
Level 1 Award in Keeping Safe & Healthy in the Digital World	5
Level 1 Award in Mental Wellbeing	5
Entry Level Certificate in Preparation for Employment (Entry 3)	4

All students over the age of 14 are enrolled onto a Gateway Qualification in Maths & English

Qualification	Number of pupils working towards accreditation at each level
Entry Level Certificate English (Entry 3)	9
Level 1 Certificate in English	3
Level 2 Certificate in English	7
Entry Level Certificate Maths (Entry 3)	9
Level 1 Certificate in Maths	3
Level 2 Certificate in Maths	8
Level 2 Certificate in Applied Science and Technology	4
