## Autumn Term 2

Issue 158 20th December 2024

End of term festivities:

What a wonderful final week of term, filled with lots of enjoyable activities and memories made. We hope you all have a very Merry Christmas and a Happy New Year and we are looking forward to seeing the students ready to go for Term 3 after Christmas.

French Club:

From next term, there is going to be an exciting opportunity for our students to join a French Club on a Thursday afternoon with Immy. The French Club will incorporate cross-curricular learning, use of online activities and French culinary experiences for a well-rounded and enriching experience for our students. The aim is to create a fun and engaging learning environment that will encourage the students to explore the French Language and culture and develop their social interaction and communication skills. The students will have opportunities to foster an appreciation for French culture, history and traditions (e.g. 14<sup>th</sup> July, Bastille Day celebrations); and be introduced to French cuisine through simple, age-appropriate cooking activities. If your child is interested in this, please let their class teacher know in response to the daily communications.
